These Club “House Rules” have been prepared by the Club’s Directors under the mandate given to them by the members. They are in place for the primary purpose to enable all members, visitors and guests to enjoy our facilities in a friendly and social environment.

3. BEHAVIOUR

Membership cards must be carried at all times or the member is required to enter their name and other particulars in the Visitors book. Failure to do so may incur one month suspension and spot checks may be carried out at random.

Members will behave in a proper manner without causing any inconvenience to other members and their guests. The term "behaviour" is to include: dress, language, actions and any annoyance which, in the opinion of the Management, is detrimental to other members and the reputation of the Noble Park Football Social Club Limited. Members are solely responsible for their guests' behaviour.

Persons leaving the Club premises late in the evening will be expected to leave in a manner, which does not unduly disturb neighbouring residents.

Failure to comply with the proper behaviour will result in the member being asked to leave the premises and a subsequent report lodged with the Disciplinary Committee for their determination which may result in a fine, suspension or expulsion of membership.

If a member refuses to leave the premises as instructed by Management or is involved in a major disturbance, or action that has endangered, upset or harmed, other members, guests or staff member, he/she will be suspended from the Club until a Disciplinary Committee hearing is conducted to determine the incident.

Disciplinary Committee hearings will normally take place within ten (10) working days of the incident or as soon as possible.

No member shall introduce more than four (4) guests to the club in any one day, and an individual will not be permitted to be guest on more than twelve (12) occasions in any year (this does not apply to Bingo or special functions).
